**Tournament - Saturday, May 5, 2018**

The Tournament Committee and the Palm Beach Chapter-FNGLA would like to thank you for considering a sponsorship opportunity for the 2018 Palm Beach Chapter FNGLA KDW Tournament.

As in years past, it is our intent to help support other non-profit organizations with a portion of the proceeds.

In addition, we will continue to support the Hoskins McDougald Horticulture Scholarship Fund. This charity supports students from Palm Beach County, Broward County and the Treasure Coast with valuable scholarships to help them continue their chosen career path in horticulture and landscape.

Finally, your support will also assist the ongoing protection and promotion of the nursery, grower and landscape industry throughout Palm Beach County.

Feel free to contact us with any questions that you may have.
